LAKE MILDRED PROPERTY

#1 On which lake is your property located?

	Total	%
Lake Mildred	59	100.0
Clear Lake	0	0.0
	59	100.0

#2 What type of property do you own on Lake Mildred?

	Total	%
A year-round residence	29	49.2
Seasonal residence (summer only)	16	27.1
Weekends throughout the year	12	20.3
Resort property	0	0.0
Rental property	0	0.0
Undeveloped	0	0.0
Other	2	3.4
	59	100.0

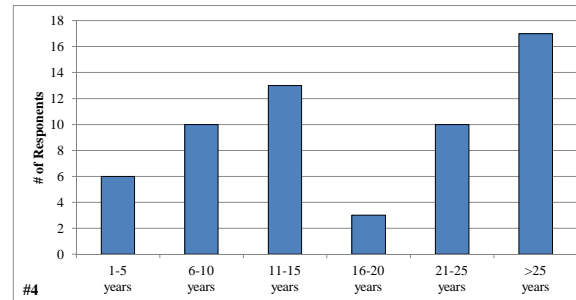

#3 How many days each year is your property used by you or others?

Answered Question	56
Average	179.5
Standard deviation	144.1

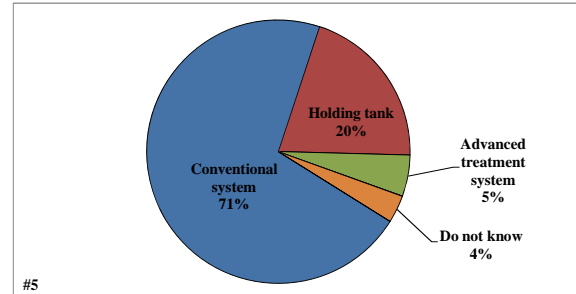

#4 How long have you owned your property on Lake Mildred?

	Total	%
1-5 years	6	10.2
6-10 years	10	16.9
11-15 years	13	22.0
16-20 years	3	5.1
21-25 years	10	16.9
>25 years	17	28.8
	59	100.0

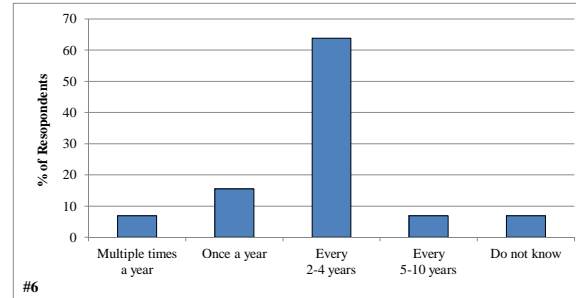

#5 What type of septic system does your property utilize?

	Total	%
Conventional system	42	71.2
Holding tank	12	20.3
Advanced treatment system	3	5.1
Mound	0	0.0
Municipal sewer	0	0.0
Do not know	2	3.4
No septic system	0	0.0
	59	100.0

#6 How often is the septic tank on your property pumped?

	Total	%
Multiple times a year	4	6.9
Once a year	9	15.5
Every 2-4 years	37	63.8
Every 5-10 years	4	6.9
Do not know	4	6.9
	58	100.0

#7 Are you on the Oneida County Septic Maintenance Program?

	Total	%
Yes	39	66.1
No	6	10.2
Do not know	14	23.7
	59	100.0

RECREATIONAL USE ON LAKE MILDRED

#8 How many years ago did you first visit Lake Mildred?

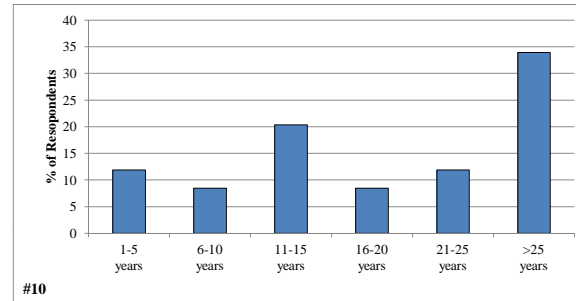

Answered Question	58
Average	24.7
Standard deviation	15.3

#9 Have you or others in your household personally fished on Lake Mildred?

	<u>Total</u>	<u>%</u>
Yes, both I and others in my household have the lake	45	78.9
Only I have fished the lake	4	7.0
I have not fished the lake, but others in my household have	6	10.5
No one in my household has fished the lake	2	3.5
	<u>57</u>	<u>100.0</u>

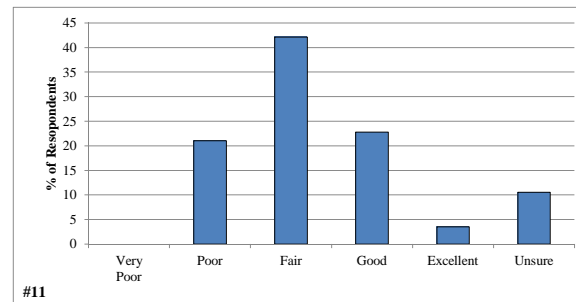

#10 For how many years have you or others in your household fished Lake Mildred?

	<u>Total</u>	<u>%</u>
1-5 years	7	11.9
6-10 years	5	8.5
11-15 years	12	20.3
16-20 years	5	8.5
21-25 years	7	11.9
>25 years	20	33.9
	<u>56</u>	<u>94.9</u>

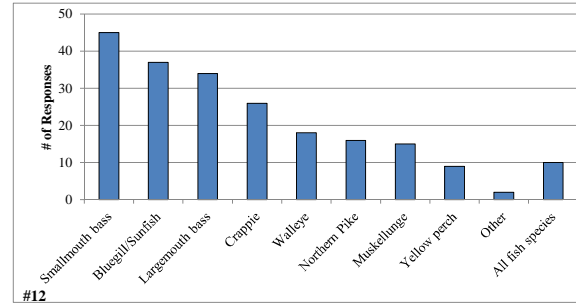

#11 How would you describe the current quality of fishing on Lake Mildred?

	<u>Total</u>	<u>%</u>
Very Poor	0	0.0
Poor	12	21.1
Fair	24	42.1
Good	13	22.8
Excellent	2	3.5
Unsure	6	10.5
	<u>57</u>	<u>100.0</u>

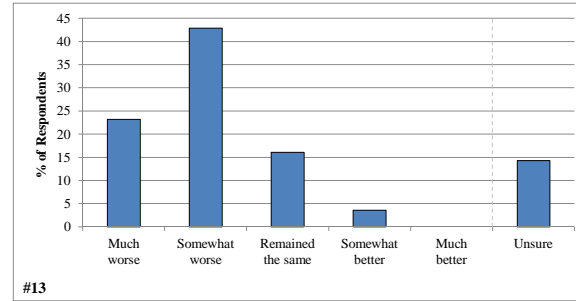

#12 What species of fish do you like to catch on Lake Mildred?

	Total
Smallmouth bass	45
Bluegill/Sunfish	37
Largemouth bass	34
Crappie	26
Walleye	18
Northern Pike	16
Muskellunge	15
Yellow perch	9
Other	2
All fish species	10

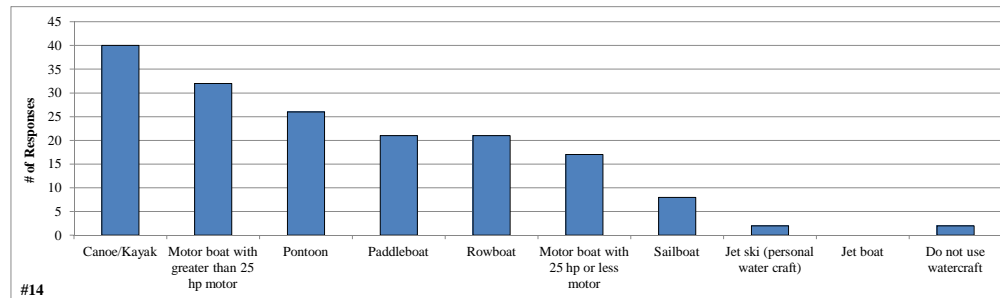

#13 How has the quality of fishing changed since you or others in your household started fishing the lake?

	Total	%
Much worse	13	23.2
Somewhat worse	24	42.9
Remained the Same	9	16.1
Somewhat better	2	3.6
Much better	0	0.0
Unsure	8	14.3

ARTIFICIAL FISHING HABITAT ON LAKE MILDRED

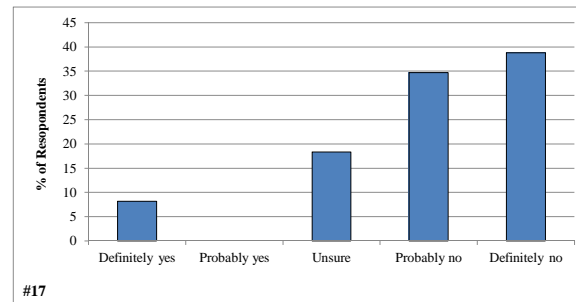

#16 Are you aware that WDNR guidelines must be followed to sink a fish crib in Lake Mildred, and a WDNR fisheries biologist must be notified of its location?

	Total	%
Yes	39	66.1
No	5	8.5
Not familiar with fish crib use or issues	15	25.4
	59	100.0

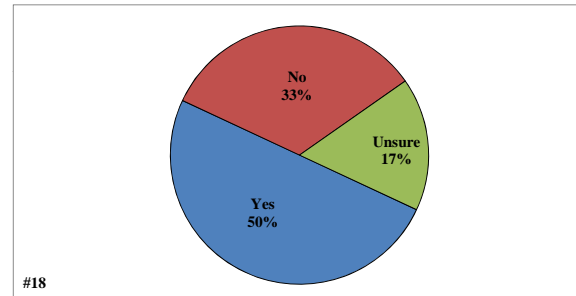

#17 Are the addition of fish cribs (made from natural or man-made materials) causing any problems in the lake where your property is located?

	Total	%
Definitely yes	4	8.2
Probably yes	0	0.0
Unsure	9	18.4
Probably no	17	34.7
Definitely no	19	38.8
	49	100.0

#18 Should the lake association work with the WDNR to remove fish cribs in the lake where your property is located if the cribs are made of man-made materials (plastic barrels, etc.)?

	Total	%
Yes	24	50.0
No	16	33.3
Unsure	8	16.7
	48	100.0

#19 *This Question was mistakenly repeated during the survey design process, and thus has been left out of the survey analysis*

#20 Do you believe that habitat improvements for fish need to be made in the lake where your property is located?

	Total	%
Definitely yes	14	28.6
Probably yes	10	20.4
Unsure	9	18.4
Probably no	9	18.4
Definitely no	6	12.2
	48	98.0

LAKE MILDRED CURRENT AND HISTORIC CONDITION, HEALTH AND MANAGEMENT

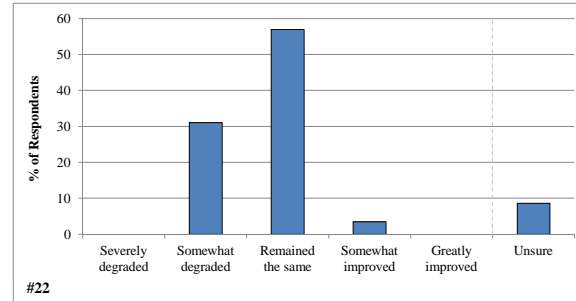

#21 How would you describe the current water quality of Lake Mildred?

	Total	%
Very Poor	0	0.0
Poor	0	0.0
Fair	2	2.4
Good	27	32.5
Excellent	27	32.5
Unsure	27	32.5

Degradation of native aquatic plants	0	0	1	0.6
Light pollution	0	0	0	0.0
Other	6	1	0	4.3
	56	55	52	100.0

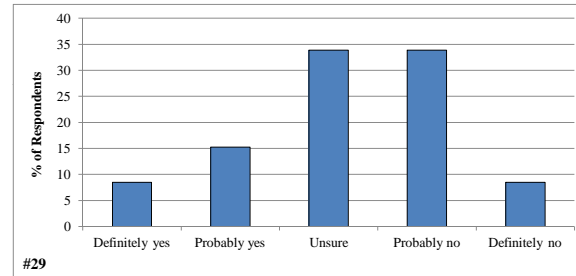

#28 During open water season how often does aquatic plant growth, including algae, negatively impact your enjoyment of the lake?

	Total	%
Never	14	23.7
Rarely	22	37.3
Sometimes	19	32.2
Often	3	5.1
Always	1	1.7
	59	100.0

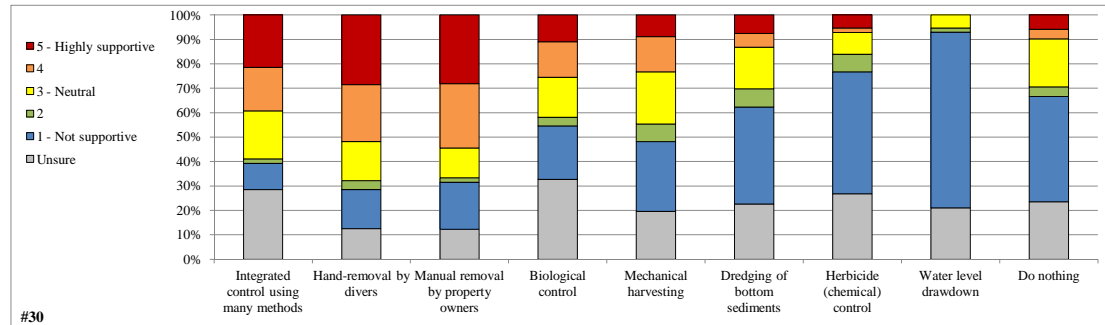

#29 Considering your answer to the question above, do you believe aquatic plant control is needed on the lake?

	Total	%
Definitely yes	5	8.5
Probably yes	9	15.3
Unsure	20	33.9
Probably no	20	33.9
Definitely no	5	8.5
	59	100.0

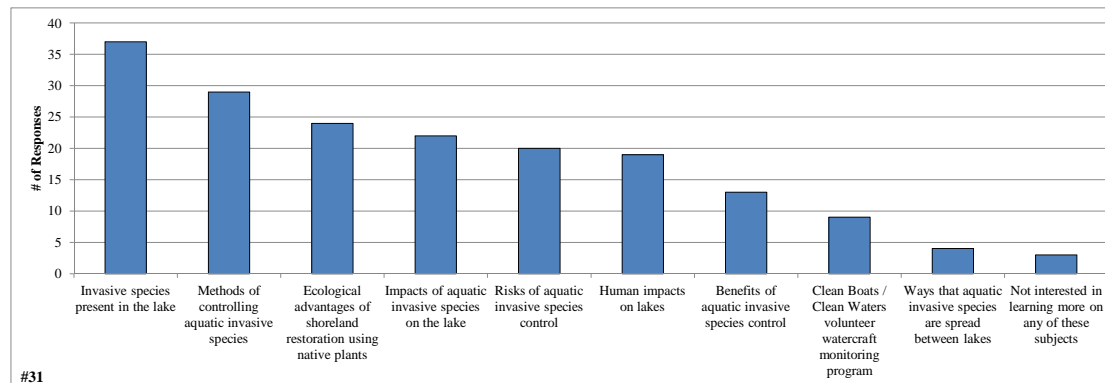

#30 What is your level of support for the responsible use of the following techniques on the lake?

	1 - Not supportive	2	3 - Neutral	4	5 - Highly supportive	Unsure	Total	Average
Integrated control using many methods	6	1	11	10	12	16	40	3.5
Hand-removal by divers	9	2	9	13	16	7	49	3.5
Manual removal by property owners	11	1	7	15	16	7	50	3.5
Biological control	12	2	9	8	6	18	37	2.8
Mechanical harvesting	16	4	12	8	5	11	45	2.6
Dredging of bottom sediments	21	4	9	3	4	12	41	2.1
Herbicide (chemical) control	28	4	5	1	3	15	41	1.7
Water level drawdown	41	1	3	0	0	12	45	1.2
Do nothing	22	2	10	2	3	12	39	2.0

#31 Which of these subjects would you like to learn more about?

	Total
Invasive species present in the lake	37
Methods of controlling aquatic invasive species	29
Ecological advantages of shoreland restoration using native plants	24
Impacts of aquatic invasive species on the lake	22
Risks of aquatic invasive species control	20
Human impacts on lakes	19
Benefits of aquatic invasive species control	13
Clean Boats / Clean Waters volunteer watercraft monitoring program	9
Ways that aquatic invasive species are spread between lakes	4
Not interested in learning more on any of these subjects	3

LAKE MILDRED PROPERTY OWNERS ASSOCIATION

#32 Before receiving this mailing, have you ever heard of the Lake Mildred Property Owners Association?

	Total	%
Yes	57	100.0
No	0	0.0
	57	100.0

#33 What is your membership status with the Lake Mildred Property Owners Association?

	Total	%
Current member	42	76.4
Former member	6	10.9
Never been a member	7	12.7
	55	100.0

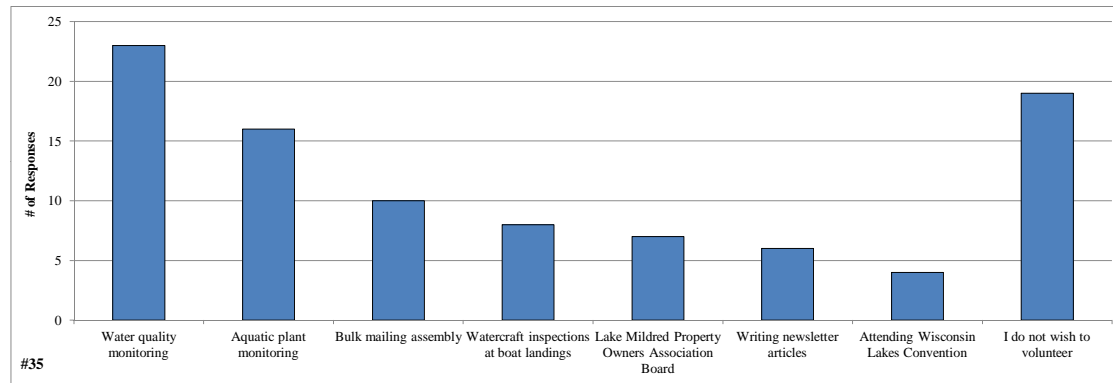

#34 How informed has the Lake Mildred Property Owners Association kept you regarding issues with the lake and its management?

	Total	%
Not at all informed	0	0.0
Not too informed	2	3.5
Unsure	6	10.5
Fairly well informed	25	43.9
Highly informed	24	42.1
	57	100.0

#35 Please circle the activities you would be willing to participate in if the Lake Mildred Property Owners Association requires additional assistance.

	<u>Total</u>
Water quality monitoring	23
Aquatic plant monitoring	16
Bulk mailing assembly	10
Watercraft inspections at boat landings	8
Lake Mildred Property Owners Association Board	7
Writing newsletter articles	6
Attending Wisconsin Lakes Convention	4
I do not wish to volunteer	<u>19</u>

Survey Number	Lake	2g Comment	12i Comment	15m Comment	25p Comment	26r Comment	27r Comment	Other Comments (and Question 36)
1	Lake Mildred							
2	Lake Mildred			family vacations				I have noticed a difference in the small part of the lake(section closest to Clear Lake) There appears to be much more veg/plant growth. Years ago it was clearer
5	Lake Mildred							The boat landing is becoming an attractive nuisance. There is garbage and noise at the boat landing. Also a safety issue for all at the landing. Visitors at the landing swim at the area when boats are being launched. Needs to be controlled
6	Lake Mildred							We have been on Lake Mildred for 8 years now and love the lake. We've noticed however, the lack of overfish in the last few years. Whether its because of the low water level (fish staying deeper), overfishing or abundant bass population I don't know. We used to catch some walleyes and about 10 bluegills in 8 years, released the rest. Maybe some regulations to get the bass populations under control and some stocking of other species would help to diversify the fishery. I also would like to see some fish cribs installed. I would be more than willing to donate some time and money for both.
7	Lake Mildred							Would like to see the removal of the bolders in the channel between Lake Mildred and Clear Lake
8	Lake Mildred							
11	Lake Mildred							
12	Lake Mildred							Excellent survey and thank you for your hard work Please promote catch and release of all game fish
13	Lake Mildred					Certain types of boats cause wakes on shoreline		
14	Lake Mildred							
15	Lake Mildred							Having been born and raised in Rhinelander and now owning property on a lake that was introduced to my as a kid, I am totally grateful to all those involved in the care and upkeep of this magnificent natural jewel. We presently live in MN and because of a growing demand on family obligations, we are not able to enjoy our property as we once did. We therefore appreciate all the LMPOA is attempting to do to preserve our oasis which will ultimately benefit all for generations. Thank you!
16	Lake Mildred	Its heated for year round use, but used about 150 days a year						
20	Lake Mildred							
22	Lake Mildred							I think the low water conditions we are experiencing the last few years is the reason for some of my responses. I think it is a natural occurrence and feel it will come back to higher levels and this would change many of my answers. Sometime doing nothing is the best solution and let nature take her course.
23	Lake Mildred							
24	Lake Mildred							Our concern is the concrete structure that is on the property located between (name removed) and the large white house on the south shore of Lake Mildred. Apparently the structure went in during September or late August of 2011. It is very close to the shoreline. Trees have been cleared from this property.
26	Lake Mildred							The board is doing a good job
27	Lake Mildred						illegal fish crib & debris filling the lake	
28	Lake Mildred							Do not widen the canal by (name removed)'s house. It's already been widened once. People on the east end of the lake from (name removed)'s paid a premium for their lots because it was accessible for the larger boats. The west end is a good place to go for quiet fishing.
29	Lake Mildred							
30	Lake Mildred							
31	Lake Mildred							
32	Lake Mildred							
33	Lake Mildred		bullheads					I think it is necessary to remove rocks, dredge and open up the narrows
35	Lake Mildred							
36	Lake Mildred							
39	Lake Mildred	5-6 weeks in summer, 3-4 weeks rest of year						
41	Lake Mildred							
44	Lake Mildred							
45	Lake Mildred							My wife and I are limited by health issues
46	Lake Mildred							Thanks for your efforts
47	Lake Mildred							
48	Lake Mildred							
49	Lake Mildred					jet skis	jet skis and water level	Too many smallmouth bass, more every year. Crappies and bluegills have declined. Walleyes need stocking & habitat work. Water level is a huge concern. Jet skis should not be allowed. Jet skis have crossed over lines we just cast out -- and this clown has a place on the lake. Structures built too close to OHWM. The mansion on the point that used to be a cottage. The new storage shed that is essentially a bungalow with a dormer -- north shore moveable? Portable? - heck, it has a block basement. Lake association needs to deal with it -- file complaint with zoning or you have no credibility.
50	Lake Mildred							
53	Lake Mildred							
54	Lake Mildred							
55	Lake Mildred							
56	Lake Mildred							
57	Lake Mildred							
58	Lake Mildred							
60	Lake Mildred					lawn creation & clearing the shoreline		Please restore the island that (name removed) filled in Let's keep the shoreline as natural as possible with control of new buildings built close to the water. No fertilized lawns
61	Lake Mildred							
62	Lake Mildred					tiger muskies	towries, DNR stocking muskies	The stockholder attached an article from the Lake Mildred website on a fisheries study that was done in 2005. They highlighted a section that said " we handled 3 adult muskies (all were males from 42 to 44 inches in length) and a large number of juvenile muskies (Mildred was stocked with 190 12 inch muskies by the Musky Club Alliance of Wisconsin last fall) . Their comment was: THIS IS THE LARGEST LAKE PROBLEM. WHO LET THEM DO THE STOCKING AND NOW 6 YEARS LATER YOU ASK WHERE ARE THE FISH?
64	Lake Mildred							
65	Lake Mildred							
66	Lake Mildred							
67	Lake Mildred							
68	Lake Mildred					expanding small mouth bass population		
70	Lake Mildred							Wish to see a fisheries management plan for the lakes. Wish to see a plan for managing and improving lake access to Clear Lake and west end of Mildred Lake during low water periods that cause passages to become too shallow for boat passage
71	Lake Mildred							
72	Lake Mildred							
73	Lake Mildred							
75	Lake Mildred						lack of variety, of easily accessible fish species seems like all bass in this lake	To us, it seems as though most of the fish in this lake are bass, and fishing becomes boring on the lake since species are limited and nearly all fish are too small to keep, contributing to the problem. We swim a lot, and the water quality seems good, for a time. I think with bloom or pollen or something. I am very concerned about water level, but obviously we have no control over it. Maybe some ? cribs and fish introduction might help improve fishing. I don't think this lake is a very nutrient rich lake.
76	Lake Mildred							
77	Lake Mildred							Great core group in LMPOA. More volunteers and subcommittees a good idea. Group study to see effects of bag limits and size limits on bass. le:catch & release. Either get a pier at the boat landing or close it!
78	Lake Mildred							
79	Lake Mildred							Too many property owners have removed trees and structures from the shoreline and the lake bed! People should not alter the existing shoreline conditions without permission from the adjoining property owners. People should not remove excess amounts of foliage (clear cut) from their property just for a view of the lake
